

# Digipen Institute of Technology

## Colloquiums

### Summer 2008

**The following talks\* will take place at Digipen between May and August of 2008:**

- 1. July 16<sup>th</sup> :** *“Ethics and Game Design”*  
12:00-1:00 pm  
Carr **by John Nordlinger (Microsoft Research)**

#### **Abstract/Bio**

John has a background in Philosophy, experience with Game Playing and Game Design studies – he is occasionally asked to present to academics on the topic of the ethics of game design. This talk is also an excuse to relate stories within and about the rapidly evolving game industry and game marketplace. Talk provides an intro to the realm of philosophy known as ethics and ranges from ancient Greece to Azeroth to the even more exotic world of Middle Earth China.
